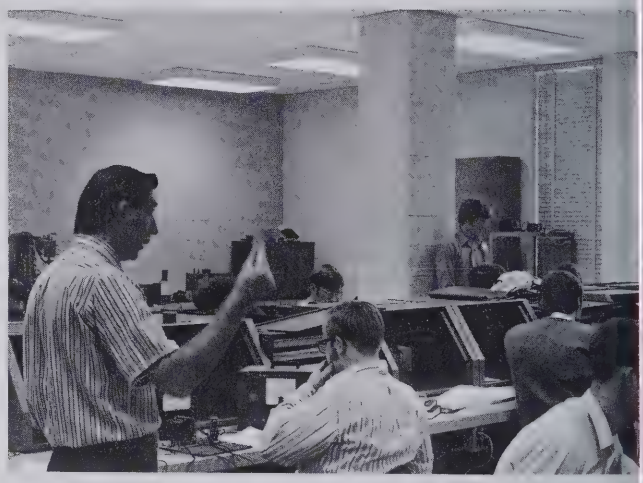
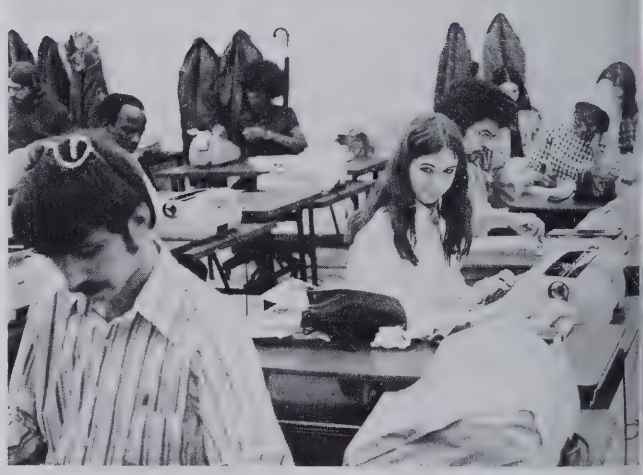
It sure looks hot!

Oh no! Another polka dotted one

Thirty minutes till "As The World Turns"

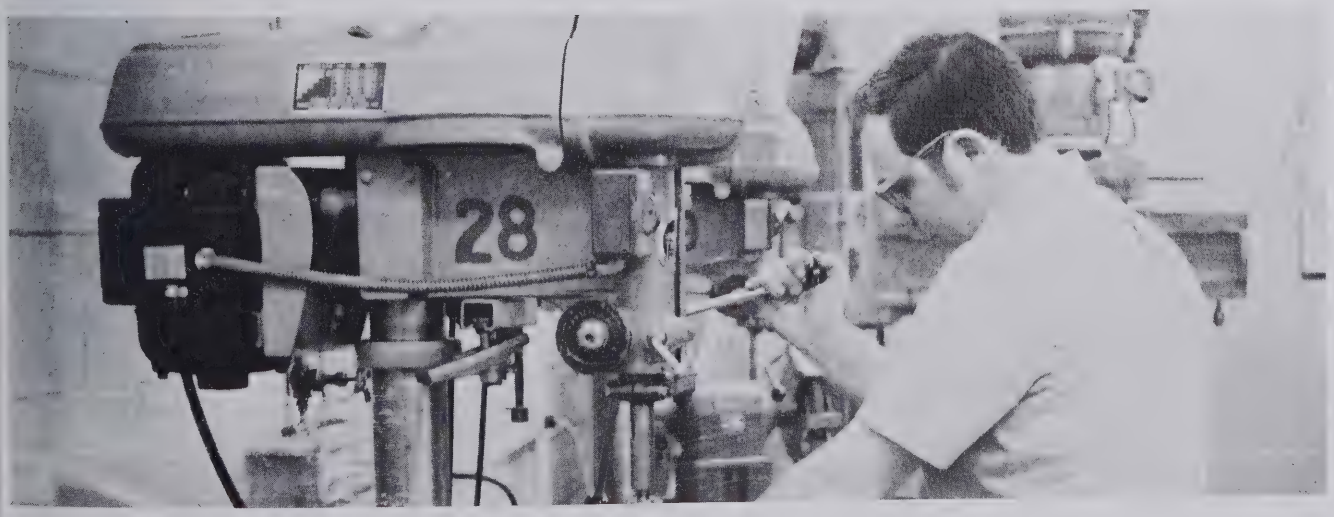


Very interesting.

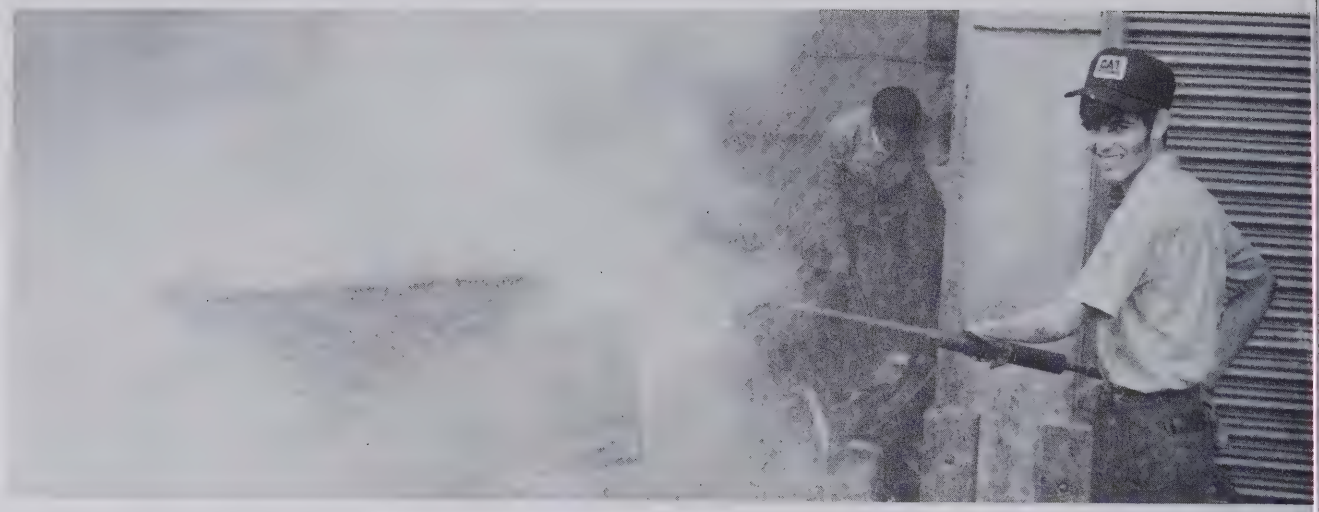


"Lettering, lettering, lettering"

The Birdie don't bite.

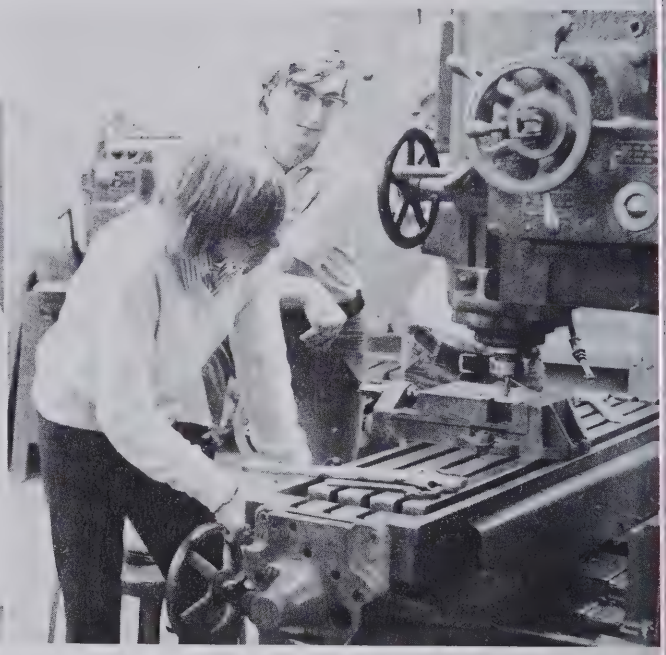


That oughta make it bigger!



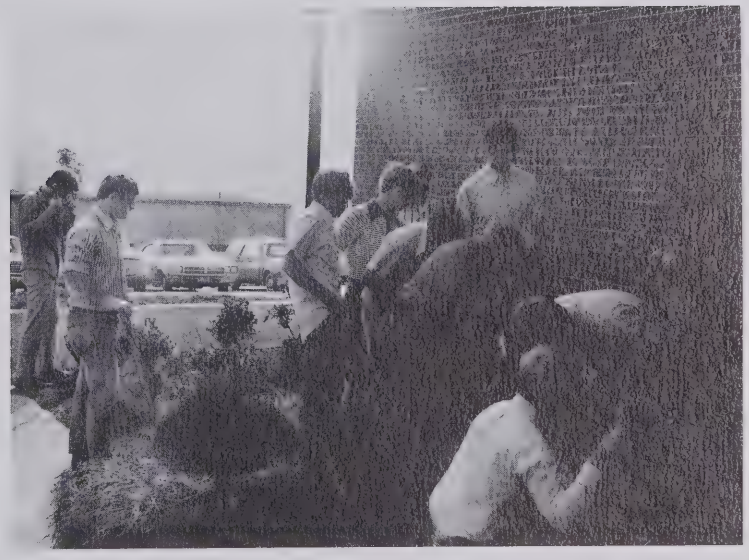
We have smog control!

Try it! You'll like it.



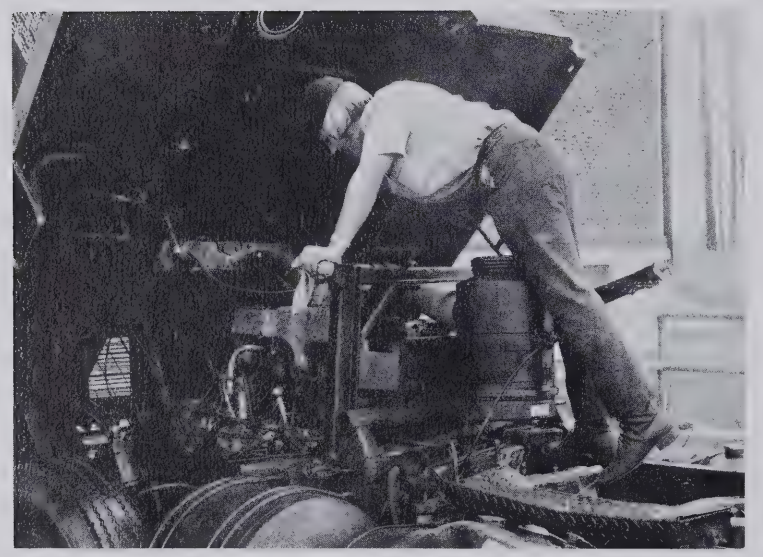
Ooooops! Can't hit the hole all of the time.

Recess!

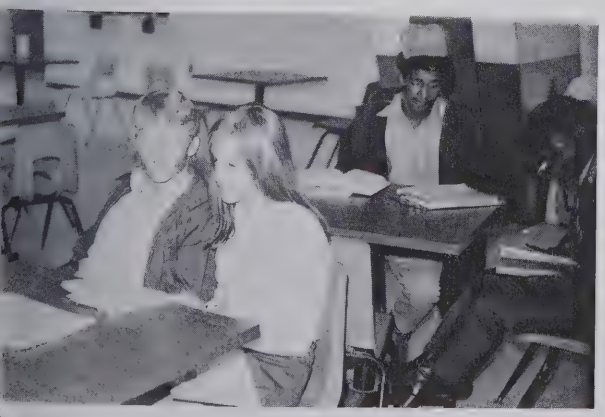


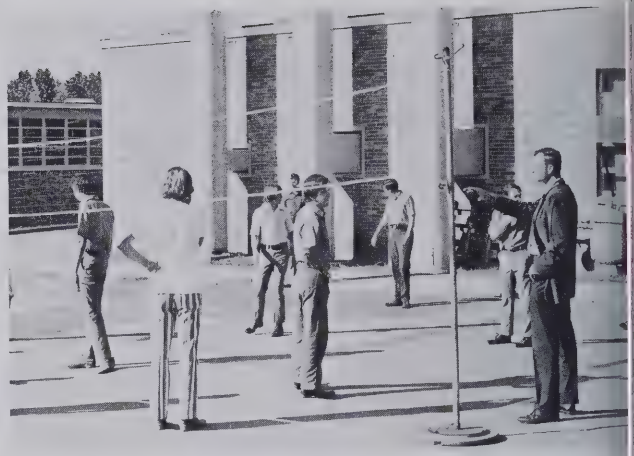
I don't think they buried him here.

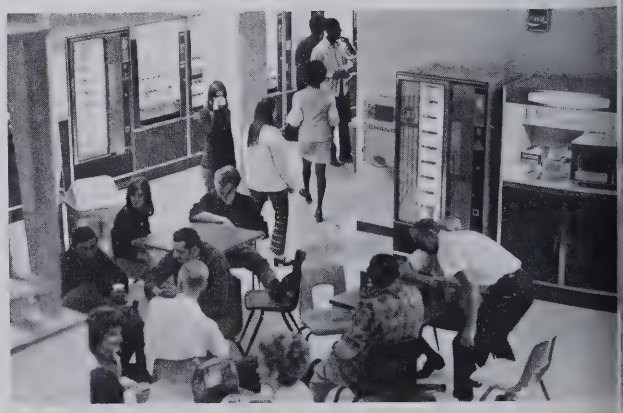
This may be a ?? Film.



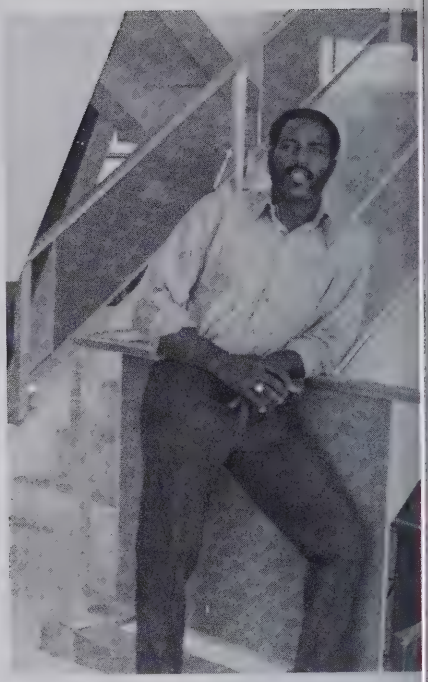
After today he won't ride no more.







One dozen to go.



Who are you?

This class is so boring.

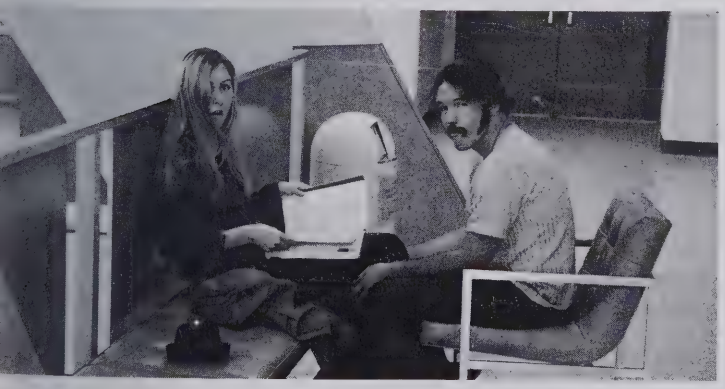
Who's that behind the paddle

It's light-up time.

All right who's going to hit the ball up there?

Hey! What's going on here?

O.K. Let;s get organized



Surprise! Surprise! Surprise!

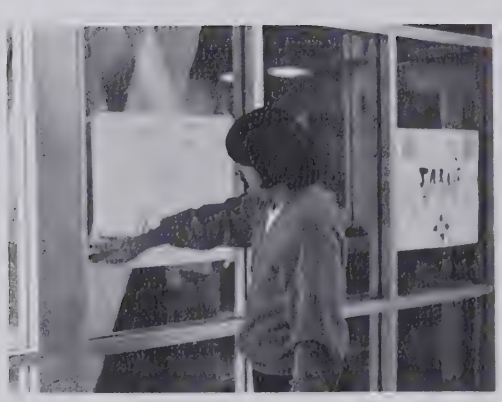
Did you see that back there?

Do you know what you're doing?

It's been a long day.

Goin my way?

No! No! Not me!



How am I going to get this thing to stay up here?
